Allegra

CHAMBER BALI

Live piano & string ensemble for weddings in Bali

FOR WEDDING PLANNERS & VENUES

Partner Reference Sheet

Updated July 2026

Allegra Chamber Bali is a live chamber ensemble — piano and strings — performing ceremonies and receptions for destination weddings across Bali. This sheet covers what you need to vet us as a vendor for your couples: the formations on offer, how we handle logistics, and a sample of the repertoire.

THE FORMATIONS

Five Ways to Hear Allegra

Solo

A single violin, cello, or wedding pianist — the most intimate option for a vow exchange or small ceremony.

Ideal for intimate ceremonies, vow exchanges, cliffside elopements

Duo

Violin and cello, joined by piano as standard — a warmer, fuller sound than solo, with our signature piano blended in from the start.

Ideal for ceremony, cocktail hour · 3 musicians (piano included)

Trio

Violin, viola, cello, and piano — full chamber colour with piano included as standard, for ceremony through cocktail hour.

Ideal for ceremony, cocktail hour, smaller receptions · 4 musicians (piano included)

String Quartet

The complete chamber experience — two violins, viola, cello, and piano — for ceremony through reception. Our signature formation, with piano included as standard.

Ideal for processional & recessional, cocktail hour, reception sets · 5 musicians (piano included)

Large Ensemble

Four violins, two violas, two cellos, double bass, and piano — our fullest formation for a layered, statement sound. 10 musicians by default; scalable further on request.

Ideal for grand ceremony entrances, large receptions & gala dinners · 10 musicians (default)

Piano is included as standard in Duo, Trio, String Quartet, and Large Ensemble — it's Allegra's flagship instrument, not a paid upgrade.

LOGISTICS

Working With Us

Tech rider & stage plot on request

Stage plot, input list, and power requirements are available for every formation — message us and we'll send them over.

One point of contact, 24-hour response

No chasing different people for the same answer — confirmations, changes, and day-of questions all go through the same contact.

Setup finished before guests arrive

Our musicians arrive ahead of schedule and follow a run-of-show confirmed with you in advance, so there's nothing left to manage on site.

Outdoor & non-standard venues are routine

Cliffside, beach, and garden ceremonies are part of our regular calendar across Bali. Setup stays simple — shade for the musicians and a flat, stable surface for the instruments. Tell us the venue and we'll confirm what's needed.

Repertoire arranged to the couple's own songs

Conservatory-trained musicians performing without backing tracks — most requests, classical, film, or pop, can be arranged for strings, piano, or both.

A SAMPLE OF THE REPERTOIRE

What We Perform

A representative sample — full list at allegrachamberbali.com/repertoire
